You want my opinion?

1) STOP RECORDING EVERYBODY'S GOOGLE SEARCHES AND READING OUR EMAIL WITH A COMPUTER TO SEE IF MAYBE WE'RE SAYING ANYTHING "INTERESTING".

2) This "ODNI" committee is worse than a joke. Who the &*\$#% thinks that Clapper and the rest of you give a dam about what we think? You're just trolling for IP addresses for people to add to your "spy on American citizens" shh!t list.

Ok, now I'm on it.

WHY?

WHAT THE &^%&*# DOES THIS EMAIL HAVE TO DO WITH TERRORISM, HUH??

3) You all should be tried and imprisoned for violating any number of laws.
