Subject: LA HIDTA Supervisor Training

As many of you know, we have been talking about having a training day for all LA HIDTA Initiative Group Supervisors/Sergeants and second-line supervisors. We have arranged to utilize the Ontario Police Department Community Room on Thursday September 26, 2013 from 2:00 p.m. to 4:00 p.m. to conduct the training. The topics will include an overview of LACLEAR’s de-confliction capabilities, intel/analysis services offered by LACLEAR, INCH and JRIC and a presentation on Hemisphere.

Hi

Hopefully, we have implemented sufficient controls to negate any misuse or unauthorized disclosure of the project.

Would you mind passing this information on to whoever you think should be made aware of what we are doing here in LA in regards to Op H. Thank you for all your help.
