SETTLEMENT, RELEASE AND LICENSE AGREEMENT

This Settlement, Release and License Agreement ("Agreement") is entered into between Melvino Technologies Limited, a corporation organized under the laws of the British Virgin Islands of Tortola ("Melvino") and ArrivalStar S.A., a corporation organized under the laws of Luxembourg ("ArrivalStar") on the one hand (together sometimes referred to as the "Patent Holders"), and _____ a corporation organized under the laws of the State of _____ (referred to as "Licensee") (all collectively referred to herein as the "Parties" and individually herein as "Party").

WHEREAS, Melvino owns all necessary rights, title and interests in and to the patents identified in Schedule A attached hereto, including any continuations, continuations-in-part, divisionals, re-issues or re-examinations of such patents, and including any counterparts thereof in any country of the world in which there are counterparts of the foregoing U.S. patents (collectively, the "ArrivalStar Patents"), and ArrivalStar is the authorized licensee of the ArrivalStar Patents, with the right to sub-license the ArrivalStar Patents.

WHEREAS, Patent Holders assert that certain products and/or services made, used, sold and/or offered for sale by Licensee infringe certain claims of the ArrivalStar Patents;

WHEREAS, Licensee denies all such claims of infringement, but nonetheless wishes to obtain a license and release for any and all past, present, and future actions with respect to the ArrivalStar Patents, and the Patent Holders are willing to grant such a license and release under the terms hereof;

NOW, THEREFORE, in accordance with the foregoing recitals, and in consideration of the mutual covenants contained herein, the Patent Holders and Licensee agree as follows:

1. "ArrivalStar Patents" means the entire patent portfolio of Patent Holders, including, but not limited to, the patents identified in Schedule A attached hereto, including any continuations, continuations-in-part, divisionals, re-issues, reexaminations, renewals, extensions, and parents of such patents, and including any counterparts thereof in any country of the world in which there are counterparts of the foregoing U.S. patents, and also including without limitation, any and all current or future worldwide patents and patent applications and all corresponding foreign patents and patent applications and any continuations, continuations-in-part, divisionals, re-issues, re examinations, renewals, extensions, or parent thereof that relate to the subject matter of the patents in Schedule A owned by (now or hereinafter) or licensed to (now or hereinafter) Melvino, ArrivalStar, their subsidiaries, Affiliates, assigns and successors.

2. "Affiliates" as used herein means, with respect to each Party, any person, corporation, partnership, trust, or other entity, existing or which has yet to exist, that, directly or indirectly, legally or beneficially, owns, is/will be owned by, or is/will be under common ownership with the Party or the Party's ultimate parent. For purposes of the foregoing, "own", "owned", or "ownership" means holding ownership of, or the right to vote, fifty percent (50%) or more of the voting stock or ownership interest entitled to elect a board of directors or a comparable managing authority.

3. Patent Holders warrant and represent that (a) they own all necessary rights, title, and interests in, and have all necessary rights to enforce and license, the ArrivalStar Patents; (b) they have all necessary rights to enter into this Agreement; and (c) there are no liens, conveyances, mortgages, assignments, encumbrances or other agreements to which Patent Holders are a party or by which they are bound, which would prevent or impair the full exercise of all substantive rights

granted to Licensee by Patent Holders pursuant to the terms of the Agreement.

4. The terms, provisions and payments set forth in this Agreement are not and shall not be construed as an admission by Licensee of the infringement, validity, or enforceability of the ArrivalStar Patents.

5. In full settlement of all claims asserted by and/or which could have been asserted by Patent Holders against Licensee in connection with the ArrivalStar Patents in any lawsuit or otherwise, and in full consideration of the license, releases, and covenants in this Agreement, Licensee shall pay the total sum of Fifteen Thousand Dollars (\$15,000) ("the Settlement Amount"), all of which shall be due on or before September 19, 2014, to Patent Holders and their attorneys, Leslie Robert Evans & Associates, PA to the following client trust account by way of wire transfer:

7. Patent Holders do hereby release, forever discharge, and covenant not to sue Licensee, its subsidiaries, and Affiliates from any and all claims, actions, causes of action, suits, damages, injuries, duties, rights, obligations, liabilities, adjustments, responsibilities, judgments, trespasses, and demands, whatsoever, in law or in equity, whether known or unknown, suspected or unsuspected to exist, now existing or later acquired, which were made or could have been made or may be made in the future by Patent Holders relating to the ArrivalStar Patents. Subject to the immunity provided under Paragraph 6 for Licensee's customers and users, this release is not intended and shall not be construed to affect Patent Holders' claims (including claims for patent infringement) against any other current or future alleged infringer of the ArrivalStar Patents.

8. The releases and license set forth above are assignable and transferable by Licensee only in the case of a merger or sale of all or substantially all of its assets or stock, in the case of an acquisition of Licensee or to a subsidiary or a present or future Affiliate of Licensee.

9. This Agreement shall be binding upon Melvino, ArrivalStar, their successors and assigns, as well as any other present or future successor owner(s) of the ArrivalStar Patents.

10. Each Party hereto warrants and represents to the others that (a) its execution of this

Licensee may represent that it is licensed under the ArrivalStar Patents without violating this confidentiality provision.

12. This Agreement will become binding and effective upon the exchange of facsimile or email copies of the required signatures. This Agreement and all disputes under this Agreement shall be governed by the laws of the State of Florida. Any and all claims, lawsuits, or disputes of any kind between the Parties shall be resolved in federal or state courts in the State of Florida.
