**TRAFFIC INFORMATION, LLC'S NOTICE OF NON-OPPOSITION  
TO EFF'S MOTION TO UNSEAL**

Traffic Information, LLC ("Traffic") has reconsidered its position regarding the sealing of its infringement contentions as to State Farm in light of the Court's Order [Doc. 138] dated April 7, 2016. Traffic has decided to cease any further assertion of the patents in the family of patents that includes the patent at issue in the State Farm infringement contentions. Traffic has therefore decided not to oppose the unsealing of the State Farm infringement contentions. While Traffic continues to believe that the case law supports Traffic's confidential designation of the infringement contentions and that EFF's motion to unseal [Doc. 94] should be denied, in light of the above considerations, Traffic files this notice of its non-opposition to EFF's motion to unseal [Doc. 94].

Respectfully submitted,

Dated: April \_\_\_\_, 2016
