FOIPA Request No.: 1361661-000
Subject: Dakota Access Pipeline

Dear Mr. Schwartz:

Please be advised that "unusual circumstances" apply to the processing of your request. See 5 U.S.C. § 552 (a)(6)(B)(iii). "Unusual circumstances" include one or more of the following scenarios:

There is a need to search for and collect records from field offices and/or other offices that are separate from the FBI Record/Information Dissemination Section (RIDS).

There is a need to search for, collect, and examine a voluminous amount of separate and distinct records.

There is a need for consultation with another agency or two or more DOJ components.

"Exceptional circumstances" also apply to the processing of your request. The sheer volume, unbounded scope, and size of these requests may trigger an unpredictable workload for the FBI which cannot reasonably plan for a single requester to consume such a vast quantity of its finite FOIA resources. See 5 U.S.C. § 552 (a)(6)(C)(i).

These "unusual" and "exceptional" circumstances will delay our ability to make a determination on your requests with multiple subparts. Additionally, the payment of pertinent fees may apply to your request. See 5 U.S.C. § 552 (a)(4)(A)(viii).

Per 5 U.S.C. § 552 (a)(4)(C)(iii), as pertinent to "exceptional circumstances," the FBI is providing you an opportunity to reasonably modify the scope of these requests. You have 30 days from the date of this letter to provide any reasonable modification.

You have the opportunity to reduce the scope of your request; this will accelerate the process and could potentially place your request in a quicker processing queue. This may also reduce search and duplication costs and allow for a more timely receipt of your information. The FBI uses a multi-queue processing system to fairly assign and process new requests. Simple request queue cases (50 pages or less) usually require the least time to process.

Please advise in writing if you would like to discuss reducing the scope of your request and your willingness to pay the estimated search and duplication costs indicated above. Provide a telephone number, if one is available, where you can be reached between 8:00 a.m. and 5:00 p.m., Eastern Standard Time. Mail your response to: **Work Process Unit; Record Information/Dissemination Section; Records Management Division; Federal Bureau of Investigation; 170 Marcel Drive; Winchester, VA 22602.** You may also fax your response to: 540-868-4997, Attention: Work Process Unit.

For questions regarding our determinations, visit the www.fbi.gov/foia website under "Contact Us." The FOIPA Request number listed above has been assigned to your request. Please use this number in all correspondence concerning your request. Your patience is appreciated.

You may file an appeal by writing to the Director, Office of Information Policy (OIP), United States

Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, D.C. 20530-0001, or you may submit an appeal through OIP's FOIAonline portal by creating an account on the following web site: <https://foiaonline.regulations.gov/foia/action/public/home>. Your appeal must be postmarked or electronically transmitted within ninety (90) days from the date of this letter in order to be considered timely. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." Please cite the FOIPA Request Number assigned to your request so that it may be easily identified.

You may seek dispute resolution services by contacting the Office of Government Information Services (OGIS) at 877-684-6448, or by emailing ogis@nara.gov. Alternatively, you may contact the FBI's FOIA Public Liaison by emailing foipaquestions@ic.fbi.gov. If you submit your dispute resolution correspondence by email, the subject heading should clearly state "Dispute Resolution Services." Please also cite the FOIPA Request Number assigned to your request so that it may be easily identified.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Hardy", followed by a stylized flourish or number "3".
