RE: POST Certified Course 1279-43155-19 (Automated License Plate Reader)

Dear Mr. Maass,

Thank you for your letter expressing concern regarding the above-mentioned POST Certified Course.

The Commission on Peace Officer Standards and Training (POST) was established by the Legislature in 1959 to set minimum selection and training standards for California law enforcement. Pursuant to the California Penal Code, POST is tasked and entrusted with rules establishing minimum standards for training of peace officers.

Accordingly, POST is committed to ensuring the training curriculum for California's peace officers is developed and presented in compliance with POST's regulatory authority, particularly with respect to matters involving the rights of citizens.

POST takes these matters seriously and appreciates your bringing these concerns to our attention. POST staff will immediately investigate the issues discussed in your letter and will take all appropriate action on matters within our regulatory authority.

Respectfully,
