(S) I just got a call from [redacted] of OCA. The Director has requested a write up on the circumstances surrounding the NSL letter issued to [redacted]

(S) It is the Director's understanding that an NSL letter was issued to [redacted] in connection with the London bombing. [redacted] would not honor the NSL letter and because of this the FBI had to issue them a Grand Jury subpoena.

(S) The Director would like to use this as an example tomorrow as to why we need administrative subpoenas's to fight the war on terror. In particular, he would like to know how much extra time was spent having to get the Grand Jury subpoena.

Please provide me with an e-mail regarding the particular facts of this incident. Just one paragraph in e-mail form will be sufficient.
