I am hoping that some of you who have been around awhile can help me out. There was an article in a newspaper here in D.C. about NSLs and the frequency with which they are issued. That has triggered an effort to

[redacted]

I have been asked to determine [redacted]

[redacted]

I know that in recent times, we have offered legal advice [redacted] But I'd like to know if that is in fact what is done or whether there has been, either before or since the Patriot Act changes, [redacted]

So if anyone has any thoughts that would help us here understand [redacted], they would be most appreciated.

[redacted]

Thanks [redacted] OGC/NSLB headquarters

p.s. unit chiefs here at NSLB - could you please forward this email to some of the personnel in your respective operational units who may be able to offer some insight into this issue. Thanks.

Please help me again. We are getting pummeled with questions here in D.C., in light of a newspaper article, as to the scope of NSLs, and people are bandying about this idea that we get the records of people who were in touch with people who were in touch with people. . . We would like to combat this notion with a fair explanation as to how we generally perceive the scope of telephone NSLs.

[Redacted] The
advice I generally give, and am wondering if it applies to you as well, is that [Redacted]
