LPD conducted several interviews on persons of interest, however, no subject have been identified. Logical investigative leads are being pursued.

FBI Seattle is developing a strategy to deploy a Computer and Internet Protocol Address Verifier (CIPAV) and drafting a search warrant affidavit. Seattle will also coordinate the investigation with LEGAT Rome and the Behavioral Analysis Unit.

FBI involvement in the investigation will not be revealed at this time to facilitate a scenario through which the CIPAV could be successfully deployed.

Graduation at Timberline High School is scheduled for 06/15/2007, and the last day of instruction is 06/21/2007.
