Julie, given how long it will take to get an answer from [REDACTED] about the use of NSIs in criminal cases, given that [REDACTED] has been using this practice for years, that [REDACTED] has represented that [REDACTED] was aware of it, do you still think we need to put a moratorium on this practice?

I noticed you are still around. Can we talk about the Inspection EC and about not having the field offices do these manual searches for NSLs? [REDACTED]

~~SECRET
RECORD 315~~

DECLASSIFIED BY 65179 DMH/KSR/JB
ON 07-27-2007

At my OIG, we have been discussing, in a very thorough manner, the fact that CAU and
TFOS issue exigent letters in emergency situations to get NSL information followed by
the NSL.

[redacted]

b5

[redacted]

I know that CAU is keeping track of these emergency situations so that, even though not
issued currently under 2702, we can report them to Congress if necessary.

Any thoughts?
