

EXHIBIT 15

For the first time in the history of the world, the
2005 Slingshot Organizer comes in TWO sizes:

The experimental bigger spiral bound
(5.5 inches X 8.5 inches)

The traditional pocket version
(4.25 inches X 5.5 inches)

Get them at your local infoshop or independent bookstore or check

www.tao.ca/~slingshot

slingshot

2008 ORGANIZER

slingshot

A charcoal or pencil sketch of a person wearing a hooded garment, possibly a balaclava or a similar protective headwear. The person is looking down and holding a small, simple doll or figurine in their hands. The drawing is done with expressive, dark lines and shading, giving it a somber and somewhat menacing appearance.
