10. NARRATIVE				
<p>Message #6: Received: 06/14/08 at 1916 hours Subject: "my simple demands" Message: "I HAVE ONE DEMAND. IT IS FOR YOU TO MAKE A PUBLIC ANNOUNCEMENT THAT YOU WILL NEVER AGAIN EXPERIMENT ON ANIMALS</p> <p>IT WILL BE THE SMARTEST MOVE YOU EVER MADE [VICTIM's first name]. TRUST ME</p> <p>EITHER YOU DO THAT OR I WILL FUCK YOUR LIFE UP. IM GIVING YOU THIS LAST CHANCE BECAUSE I HAVE MORE COMPASSION THAN YOU HAVE EVER SHOWN"</p> <p>I believed the reference to UCLA related to animal rights activity that had taken place at the homes of UCLA researchers. I was aware of multiple incidents of incendiary devices being placed at researchers' homes as well as an incident in which a garden hose was placed through a broken window and used to flood the inside of a researcher's home.</p> <p>I called VICTIM on the morning of 06/16/08. She told me she was frightened by the messages. She was also concerned because a package she was not expecting was delivered to her home on 06/14/08. The labeling on the package showed it was from an organic food company. There was no listed return address. VICTIM was fearful of the package because the email messages contained comments such as "I will show you what I have in store for you at [VICTIM's home address] and it ain't fucking pretty." VICTIM did not open the package and elected to inform UCPD.</p> <p>VICTIM's concerns about the package initiated a UCPD Bomb Team response. I went to VICTIM's residence with fellow bomb technician, Det. MacAdam #81. Using standard EOD procedures, we determined the package did not contain bomb components. It turned out the package contained a Father's Day gift for VICTIM's husband.</p> <p>On 06/16/08, I wrote a court order to obtain IP address information for the email address "[VICTIM's first and last name]jisscum@gmail.com." I served the order on Google via fax on 06/16/08. I received a response from Google on 07/18/08. I learned that the person who used this email address sent the messages from an internet connection using IP address 208.106.103.213. I recognized this address as the same one that was used to send earlier harassing email messages (see case # 08-01225). On 07/22/08, I wrote a court order to obtain subscriber information for this IP address. I served the order on Sonic.net via fax on 07/22/08. I received a response from Sonic.net on 07/24/08. I learned that the subscriber for this IP address at the time the messages were sent to VICTIM was Jessy Palmer and the subscriber's address was 3124 Shattuck Avenue in Berkeley. I recognized this as the address of the Long Haul Infoshop. I knew that the Long Haul is a resource and meeting center for radical activists. I knew that animal rights activists have held meetings at the Long Haul. The Long Haul's website advertises that they offer a computer room with four computers for "activist oriented access."</p>

10. NARRATIVE					
<p>On 08/26/08, I wrote a search warrant for the Long Haul Infoshop at 3124 Shattuck Avenue. Judge Judith Ford signed the warrant at the Wiley W. Manuel Courthouse in Oakland. I served the warrant at the Long Haul Infoshop on 08/27/08 at about 1009 hours with Sgt. Alberts #22, Det. Bauer #80, Det. MacAdam #81, Det. Zuniga #73, FBI Special Agent Lisa Shaffer, and Alameda County Sheriff's Office Deputy Mike Hart. Det. MacAdam took video footage of the entry into the premises as well as footage of the interior before and after we conducted the search. I photographed the items we seized. The premises had two loft-type upstairs areas. The western loft area was labeled with a sign that read "Internet Room." This room contained computers, monitors, and other computer peripherals. From this room, we seized eleven computers (evidence items E35-1 through E35-11), two external hard drives (E35-15 and E35-16), and several miscellaneous CDs and diskettes (E35-18). Six of the computers were connected to power sources, monitors, accessories, and internet wiring, thus making them appear to be readily available for use. The other computers were not connected to anything.</p> <p>The eastern loft had an office area with two computers in it. We seized these two computers (E35-12 and E35-13) as well as miscellaneous CDs and diskettes in the room (E35-18). On the main level there were three small rooms locked with padlocks. One of the rooms was labeled "East Bay Prisoner Support." From this room, we seized a computer (E35-14), a Sprint USB flash drive (E35-17), and miscellaneous CDs (E35-18).</p> <p>After the search, Det. MacAdam gave me the DVD he used to record the video footage of the premises. I downloaded the photographs I took onto a CD. I booked this DVD and CD into evidence at UCPD. On 08/29/08, I took the six computers that appeared to be in use in the Long Haul internet room to the Silicon Valley Regional Computer Forensics Laboratory to be forensically examined. These computers had been assigned evidence item numbers E35-1 through E35-5 as well as E35-11. The remaining computers, external hard drives, CDs, diskettes, and USB flash drive were stored in the UCPD Criminal Investigations Bureau.</p> <p>On 09/03/08, I wrote an order to have the search warrant and incorporated statement of probable cause sealed. Judge Taber signed the order at the Wiley W. Manuel Courthouse in Oakland.</p> <p>On 09/11/08, I asked Ofc. Miller #32 to make copies of the remaining computer hard drives, external hard drives, and the USB flash drive using standard forensic procedures. On 09/18/08, the Silicon Valley Regional Computer Forensics Laboratory called me to let me know they had finished copying the hard drives of the six computers I brought them. Ofc. Parnell #31 picked up the computers from the Silicon Valley Regional Computer Forensics Laboratory and brought them back to me at UCPD. I stored them with the other computers in the Criminal Investigations Bureau.</p> <p>On 09/18/08, I requested a court order to authorize the release of all property seized during the search at the Long Haul. Judge Yvonne Gonzalez-Rogers signed the order at the Wiley W. Manuel Courthouse. I made arrangements to release the computers that the Silicon Valley Regional Computer Forensics Laboratory had finished with as well as the computers Ofc. Miller had finished with. On 09/18/08, I called CHAZIN, Seth (MX-A-O). CHAZIN had previously told me he was an attorney representing the Long Haul. I told CHAZIN I would be able to release some of the property to a representative from the Long Haul. CHAZIN told me he would arrange for the proper person to come to UCPD to pick up the property.</p>

10. NARRATIVE On 09/19/08 at 1530 hours, WATLINGTON, Chloe (FW-21-O) came to UCPD and Det. Reich #83 released the following property to her: Evidence item numbers E35-1, E35-2, E35-3, E35-4, E35-5, E35-11, E35-12, and E35-13. WATLINGTON signed both pages of the property receipt I prepared. On 09/23/08, Ofc. Miller had finished copying more of the remaining computer hard drives. I called CHAZIN to let him know we had more property to release. By 09/24/08, Ofc. Miller had finished copying all of the hard drives, and the USB flash drive. On 09/30/08, HENNING, Christopher (MW-52-O) came to UCPD and I released the following property to him: Evidence item numbers E35-6, E35-7, E35-8, E35-9, E35-10, E35-14, E35-15, E35-16, E35-17, and E35-18. HENNING signed both pages of the property receipt I prepared. HENNING prepared a detailed inventory listing out each of the ninety CDs and cassettes contained within evidence item number E35-18. Det. Zuniga #73 signed HENNING's inventory. Nothing further.
