Re: COA application for public-use sUAS

To Whom It May Concern:

The Leptron Avenger small Unmanned Aircraft System has been inspected and reviewed on behalf of the Arlington Police Department by qualified individuals and a determination has been made based on testing data and evaluation data provided by the manufacturer that the aircraft is serviceable and airworthy for the intended use as advertised by the manufacturer, subject to the warranties and representations offered by said manufacturer.

Sincerely,

Theron L. Bowman, Ph.D.  
Police Chief
