Dear Sirs:

Records maintained by the FAA Aircraft Registration Branch (Registry) indicate that registration number N253CB was assigned to CYBER DEFENSE SYSTEMS INC CYBERBUG aircraft, serial number 253 on September 06, 2007, to facilitate registration of the aircraft. The authority to use this registration number expires 90 days after the date it is issued unless a successful application for registration is made. As of the date of this letter, more than 90 days have passed; registration requirements remain incomplete, and no request for an extension has been received. Accordingly, the authority to use N253CB is expired, and cancellation of its assignment to this aircraft is scheduled for no sooner than 60 days from the date of this notice.

Registration may be completed and a certificate of registration issued, if an aircraft registration application, the registration fee, and supporting documents, sufficient to complete registration of the aircraft, are filed before the N253CB assignment is cancelled.

If registration requirements can not be met at this time, registration number N253CB may be reserved in the name of the applicant. If the N-number is not reserved, upon cancellation it will be designated as unavailable for the next five years. To reserve the N-number or report a change in the aircraft's disposition, please mark the applicable block(s), sign, and return the attached notice.

If you require any assistance, please contact the Aircraft Registration Branch at (405) 954-3116 or toll free 1-866-762-9434.

Sincerely,

Walter L. Binkley
Manager, Aircraft Registration Branch, AFS-750
