File No. **FY 2008-046**

Dear Ms. Hofmann:

This is in response to your Freedom of Information Act (FOIA) request that was dated November 28, 2007. You requested copies of all memoranda of understanding, contracts or other agreements between DOT and Google or other technology companies from January, 2006 to the present for the digitization or other copying of agency information (including pre-existing "legacy" information and data holdings) to promote greater access of such data by the general public.

In accordance with the FOIA, 5 U.S.C. 552, enclosed are the requested records that were maintained in the Office of the Secretary of Transportation (OST), with the exception of pricing information that is considered confidential commercial information. This information has been redacted and is being withheld pursuant to FOIA exemption 4.

Exemption 4 of the FOIA protects trade secrets and commercial or financial information obtained from a person that is privileged or confidential. This exemption is intended to protect the interests of both the government and submitters of information. It encourages submitters to voluntarily furnish useful commercial or financial information to the government and it correspondingly provides the government with an assurance that such information will be reliable. The exemption affords protection to those submitters who are required to furnish commercial or financial information to the government by safeguarding them from the competitive disadvantages that could result from disclosure. 5 U.S.C. 552(b)(4) and 49 C.F.R. 7.13(c)(4).

As we mentioned to you in our letter dated July 25, 2008, other components within the Department also have responsive records and will be responding to you directly.

I am the person responsible for this determination. If you are dissatisfied with this response, you may appeal to Rosalind A. Knapp, Deputy General Counsel, U.S. Department of Transportation, 1200 New Jersey Avenue, S.E., Washington, DC 20590. An appeal must be made in writing and be submitted within 30 days after you received this determination. It should contain any information and argument you wish to rely on

and the envelope in which the appeal is sent should be prominently marked "FOIA Appeal." The Deputy General Counsel's determination will be administratively final.

I apologize for the delay in responding to your request. If you have any questions, please contact Jeff Davis at (202) 366-5531, or me at (202) 366-5546.

Sincerely,

A handwritten signature in cursive script that reads "Kathy Ray". The signature is written in black ink and is positioned to the right of the typed name.

STATEMENT OF WORK

BACKGROUND

The Office of Inspector General is an administration that works within the Department of Transportation to promote effectiveness and heads off, or stops, waste fraud and abuse in departmental programs. We do this through audits and investigations. In addition, the OIG consults with Congress about ongoing programs and proposed new laws and regulations.

The Inspector General is committed to fulfilling its statutory mission and assisting Members of Congress, the Secretary, and senior department officials in achieving a safe, efficient, and effective transportation system that meets vital national interests and enhances the quality of life of the American people, today and tomorrow.

OBJECTIVES

This delivery order is to provide a high quality, customized "New Employee Video," used to market the mission and responsibilities within the Department of Transportation, Office of Inspector General (DOT/OIG). This video will be approximately 8 to 10 minutes in length and will be used as a recruiting tool for potential employees, career interns and new hires during their orientation.

The OIG will be able to provide broadcast quality video footage that can be used in the production.

The objective of this video is to ensure that each new hire receives a clear, concise, understanding of the Office of Inspector General's mission and functions. As well as, other facilities that are open to the department such as the gym, cafeteria, credit union, store, etc. These objectives will be limited to time and resources identified. Specifically, produce a:

1. High quality DVD
2. 8-10 minutes in length
3. Include various forms of Transportation
4. Employee Participation (showing diversity of disciplines)
5. Active dynamic format that keeps audience attention
6. Provide 10 VHS and 35 DVD originals granting copyright authority to DOT/OIG

TASK DESCRIPTION

1. **Consultation:** within one week after the award, the contractor shall consult with the OIG Training Administrator to ask questions and clarify the work for the production of the video.
2. **Project Plan:** within two weeks of the award, the contractor shall provide a detailed project plan. The project plan shall address the production of the video and indicate timelines and major milestones in order to complete this task. As well as, provide a list to the DOT/OIG of any items or resources they will need.
3. **Script:** Contractor will be responsible for writing and coordinating the script, and narration of the video portion. DOT/OIG employees may be used during the video. During the third week after the award of the contract, the contractor will set up a meeting with the Training Administrator to review and approve the video script and details prepared by writers and narrators.
4. **Film:** Contractor will provide an entertaining film that will encompass participation from employees from all OIG regions.
5. **Preparation & Production:** Three weeks of preparation should be allowed after taping video to provide draft to Training Administrator. One week will be provided to Training Administrator to review draft video and provide any modifications to contractor for final version of video. This review will allow the option of the DOT/OIG to tailor the video content, script, and flow of the video development to meet the specific needs of the DOT/OIG.
6. **Presentation Materials:** Develop a video presentation 8 to 10 minutes in length in VHS and DVD formats. Final video and DVD should be delivered to the Department of Transportation, Office of Inspector General, Training and Conference Center, 409 3rd St., SW, Room 301A, Washington, DC 20024 by deadline.
