

EXHIBIT 4

SUPPLEMENTAL AFFIDAVIT OF PETER HOLSTEN

Peter Holsten, first being sworn and having personal knowledge of the facts set forth herein, states as follows:

1. I am the president of Holsten Real Estate Development, and in this capacity have overall responsibility for the operation of all Holsten projects, including the Wilson Yard development. I submit this Affidavit to update the affidavit I executed on January 15, 2009, which was appended to the Defendants' Memorandum in Support of their Section 2-619.1 Motion to Dismiss Plaintiff's Verified Complaint.

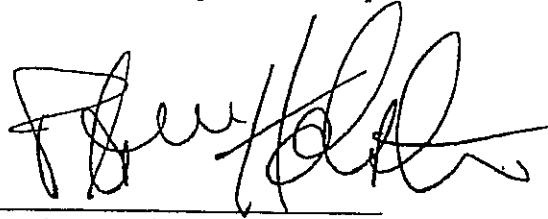

2. Since January 15, 2009, construction of all phases of the Wilson Yard development has been moving forward quickly and the project is approaching completion.

3. In particular, the Aldi's grocery store has been completed and remains in full operation. Our company's construction of the core and shell of the Target store will be complete in December of this year, at which point we will turn the building over to Target. Target will then complete the interior build out of the store.

4. The buildings housing the residential units and the additional 25, 000 square feet of retail space have been built. The construction cranes have been removed from the site. Virtually all exterior work, including the windows, as well as all concrete and masonry work is complete. The elevators are working and the individual units have all been framed out. The contractor is now finishing work on the building's systems, including heating and air conditioning, plumbing, electrical and mechanical systems. We are on schedule to begin lease up of the senior building on February 1, 2010 and lease up of the family building on April 1, 2010.

5. To date, Holsten has incurred total costs of \$110,851,206.14 in order to accomplish this acquisition, financing and construction of the Wilson Yard development. This represents 70.28% of the project's total anticipated cost.

Peter Holsten
